

# Glass Block Display Installation Guide

Display your decorative glass block creation on this Glass Block Display Stand.

- Made from sturdy steel wire
- The wire is coated with a black pvc material to create a non-slip surface.
- Holds your glass block in place while not interfering with your design.
- Stand has been designed to hold all three sizes of glass block available, 4"x8"x3", 6"x6"x3" and 8"x8"x3".
- Hole provided in base to allow access for an electrical cord.

Simply decorate your glass block and place it in the stand
